VIRTUAL DAYS after THANKSGIVING BREAK

As a kid growing up in the early 70's, I remember playing with a Stretch Armstrong toy. I could stretch it, tie it in knots and wrap its arms and legs around the whole body. I am sure that you are feeling a lot like Stretch Armstrong with COVID-19 and contact tracing. Since Thanksgiving is such a high travel holiday, I am going to ask you to stretch a bit more with us. To try and prevent someone coming back to school and possibly carrying the COVID virus after the break, we are going to go virtual/distance learning from Monday, November 30th through Wednesday, December 2nd.

Teachers will be communicating with students on work that will need to be done on those three days. The work will be sent home no later than Friday, November 20th. Teachers will be available for help from 8:00-3:15 each day. Please use the following methods to contact your teacher.

Email: Your teacher's first initial and last name in front of @ringwood.k12.ok.us

Phone: Call you child's building. High School 580-883-2201

Elementary 580-883-2203

Breakfast and lunch will be provided each day. Please contact the school by 8:30am to let the cafeteria know so that we can prevent the wasting of food. Pickup will run from 10:30-11:30 each day.

This time between Thanksgiving and Christmas is a critical time in the classroom as we finish out the first semester of learning. By doing this we hope to be able to finish out the semester strong.

We ask that anytime someone in your family has tested positive or is taking a test to please keep your children at home until test results have come back. Anytime a student is quarantined they need to call the school so that they can be put on blended learning for credit in their classes. No work equals no credit. No one will be counting absent unless they refuse to do their work. Thanks in advance for all you do to help keep your children and school safe.

Excellence in Education,
