

Benefit Cattle Auction

Rollover Auction Thursday, May 5 @ Noon

The Ringwood Community has recently been impacted by three girls all diagnosed with Leukemia. Two Holstein crosses have been donated to be auctioned and proceeds will go to the families to help with travel and medical expenses.

 **When a child is diagnosed with cancer, the whole family is affected.**

Please support a local family in your community who has a child battling for their life.
Bold for Gold: Childhood Cancer Awareness and Hope
