RINGWOOD HIGH SCHOOL STUDENT PARKING

Ringwood High School students will have designated parking in the parking lot between the High School and the new gym which includes the corresponding north spots. Students will not be allowed to park in any other parking areas unless instructed by the school administration. Students who park in non-designated parking areas can lose driving privileges at school. This form will need to be completed by all students who will be parking on campus at any time.

I understand that my ability to park at Ringwood Public Schools is a privilege that can be revoked if I disobey school, local, or state laws. By signing this contract, I agree that this will serve as the first and only warning I will receive for parking violations. To maintain my parking privileges, I understand and agree to the following as well as any school policy not listed below:

By signing this form the student agrees to the following:

- The student, while driving on campus at any time, will not exceed 15 mph.
- The student will park by pulling or backing in between the lines.
- The student will not visit their car for any reason without permission from the office.
- The student understands that their vehicle will be subjected to random drug searches.
- The vehicle's tag and insurance will be up to date.
- Parking spots are for school day, and evening/weekend away activities. After school hours or on weekends, students may park at their practice or meeting locations. However, students must park in the student lot during games or events at any time.

Before a student is approved for parking privileges, the following must be received:

- Drivers License
- Proof of Insurance

RPS ADMINISTRATION RESERVES THE RIGHT TO REVOKE YOUR PARKING PRIVILEGE FOR ISSUES OTHER THAN THOSE SPECIFICALLY STATED ABOVE, INCLUDING EXCESSIVE LATENESS TO SCHOOL AND VIOLATION OF THE RPS DISCIPLINE POLICY.
